

Dinarobin Hotel Golf & Spa

★★★★★ a Beachcomber Hotel

Nestled in a tropical garden, at the foot of Le Morne mountain and edged by a spectacular lagoon is the all-suite masterpiece, Dinarobin Hotel Golf & Spa. Considered one of the island's most stylish resorts, Dinarobin radiates charm, sophistication and luxury.

This resort's exquisite suite accommodation, all sea facing, is set in six crescents, five of which feature a pool surrounded by palms, wooden decking and lush lawns. The huge main pool is located by the entertainment, restaurant and bar area.

Dinarobin is considered the more tranquil of the peninsula's resorts, however, sporting activities still abound. This environment is the perfect home for one of the island's finest spas.

The atmosphere in the Spa by Clarins is both welcoming and relaxing, the warm earthy colours and textures blending with the fragrant aroma of essential oils.

Dinarobin provides a supreme culinary experience with four sumptuous restaurants creating the finest cuisine with the most impeccable service. Combine with the four restaurants at the neighbouring Paradis and guests have access to eight of the best restaurants in Mauritius.

The resort shares the superb 18-hole championship Paradis Golf Course and, in an added touch of luxury, golf carts are delivered to guests' suites prior to tee-off. The course also has golf practice facilities.
